Tigger!

What the GOP, Teabaggers, Conservatives, The Christian Reich, Glenn Beck, Bill O'Reilly, Sean Hannity, Sarah Palin, Dick Cheney, and Rush Limbaugh (even though some of their best friends are black) REALLY think of President Obama.

PRELIMINARY MATTERS

FUGITIVE POPE is a sporadic publication, printed and issued whenever I damn well please.

Motto no. 1: Feel free to be offended by the contents. I don't mind.

What I think of Barry, or "Fo shizzle my tizzle!"

by Rush Limbaugh

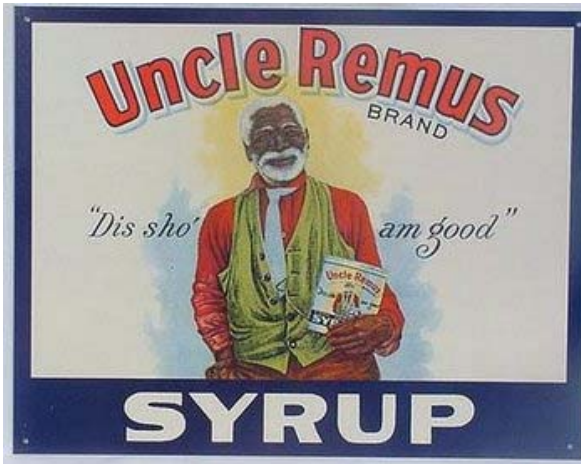

See how much I respect Barack HUSSEIN Obama? Rather than titling this in Kenyan I used Ebonics and am saying "I respect you my tigger friend." You see, some of my

relatives once owned tiggers. To this day, some of my best friends are tiggers. Hell, for all I know, my ancestors fucked tiggers and I'm part tigger! What do you think of that, libtards?

Did I say that some of my best friends are black?

Anyway, I respect the President, I really do respect the guy. Even though he's a terrorist loving socialist, I don't think he was born in Kenya. You see my friends, there are no tiggers in Kenya. Only a lot of black people. And that's ok. Because some of my best friends are black.

Tiggers believe in killing grandma and grandpa

By Sarah Palin

I have been falsely accused of many things, and I confess that I may have shot a tigger or two in my lifetime from a helicopter. However, when I talk about our President's wishes to kill our elderly citizens, I must point out that TIGGERS EAT PEOPLE! They are maneaters. Unlike turkeys and wolves which actually are quite tasty. I have personally cooked many a wild turkey (shot with my own pearl handled hunting Luger) using genuine American built General Electric ranges. Barack

Hussein Obama wants to eat our elderly citizens. I don't think he wants to eat all of them, just those that taste like chicken. So if you're skinny and bony (like me) you're proably safe from our cannibal president. I have SEEN a photograph of President Obama in his native attire (see

next page) in a genuine image forwarded to me by patriots who like to teabag (why do people laugh when I say that?). It's obvious Hussein Obama is a cannibal, and he wants to kill old people so he can eat them.
